SAFETY FIRST.
A maximum 5-star Euro NCAP (For detailed information go to www.euroncap.com) safety rating and the most advanced safety features proves it's one of the safest cars in it's class.

TECHNICAL DATA

Safety

PARK ASSIST.
Take the stress out of everyday parking with cameras that offer a 360° view of the surroundings and Park Assist, which uses ultrasonic sensors to measure the distance between the rear of the car and even takes control of steering.

CORNERING LIGHT.
Cornering lights provide additional illumination of the area to the side of the vehicle, making night-time parking and turning safer.

KEYLESS SYSTEM.
With this feature you no longer have to worry about taking your keys out of your pocket to unlock your car. Simply approach the vehicle and it will unlock depending on proximity.

PARKING HEATER.
Start everyday with a warm feeling. With the Parking Heater feature you can set the temperature in your car before you even step inside to ensure it always feels perfect.

SEAT

TECHNOLOGY TO ENJOY

SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this brochure can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised SEAT Partner for the latest information. Due to limitations of the printing process the colours reproduced in this brochure may vary slightly from the actual paint colour and material. This vehicle and all its parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality.
